

# Electronic Waste Recycling Services

As a recognized Electronic Products Recycling Association e-waste collection site, you can rest assured knowing the electronic waste you drop off at our facility will be securely stored and responsibly recycled.

When dropping off your e-waste, please make sure your tv boxes, modems, and phone boxes are not rentals. Those should be returned to your service provider.

We do not sell your recycled electronics.

Should you require a certificate of destruction for your hard drive, we can provide this to you for a fee.

Spring cleaning had some old appliances, thought it would cost

us quite a bit to get rid of them. This guy takes them for free. Awesome friendly service.

Was willing to come in Thanksgiving weekend, even tho they were closed, to look for an oven element for me if I couldn't find one elsewhere. He quoted me a fair price. I found one at a store he recommended I try. Thanks for your help!
