

Used Appliances for Sale

Used appliances for sale at a fraction of the cost of brand new.

All of our used stoves, wash machines, dryers, and fridges undergo a rigorous testing process before being sold. First the unit is tested, cleaned, repaired, then tested again before it is sold. We also offer a 30-day exchange warranty.

Appliance pick-up or delivery is also available.

We accept debit, Mastercard, Visa, e-transfer, and cash.

Spring cleaning had some old appliances, thought it would cost us quite a bit to get rid of them. This guy takes them for free. Awesome friendly service.

Was willing to come in Thanksgiving weekend, even tho they were closed, to look for an oven element for me if I couldn't find one elsewhere. He quoted me a fair price. I found one at a store he recommended I try. Thanks for your help!
